CITATIONS SERVED
IN INJUNCTION SUIT
OF COPPER COMPANIES

CHICAGO, ARIZ., Dec. 22.—United States Marshal Joseph Dillier, acting for the federal court of Tucson, Ariz., today served citations upon officers of the Western Association of Miners and Mine Owners here today, in the injunction proceedings of the Detroit Copper Company. The company seeks to restrain those sued from interfering with its assessment right in attempting mining claims in the mountains during the occupancy of the Detroit, Shoshone and Arizona copper companies over their entire strike since September 11. Unless the assessment work on the unclaimed claims of the Detroit copper companies is started by Friday, the rate of the hearing on the application to enjoin the miners will be in default.

The Markets

New York Stock Exchange.
New York, Dec. 22.—Greater breadth and activity attended today's operations with pronounced strength in metal issues.

Such stocks as American Smelter, Mexican Petroleum and metal and oil shares continued to monopolize speculative attention on the resumption of trading today, while rail and similar investment issues were again neglected. Smelting soon rose to 100%, an overnight gain of 3% and within a fraction of its highest price since 1908.

Copper stocks were stimulated by the rise in smelting as well as the price of the metal. Texas Company also responded to a moderate demand. There was further active buying of the Anglo-French bonds.

Chicago, Dec. 22.—Wheat turned weak today after an early advance, which had resulted from higher quotations at Liverpool. Argentine reports, however, telling of fine weather for the harvest and of a large yield assured, gave an advantage to the bears. The close was weak, 1% to 2% net lower, with December at \$1.21½ and May at \$1.25.

Corn rose to the highest prices for the 1915 crop. After opening 1% to 2% higher the market made some further gains but then underwent a moderate selloff.

El Paso, Tex., Dec. 22.—At a convention of the Villa generals in Juarez this morning the peace agreement drawn up in El Paso Monday was ratified and they selected General Isidro Flores as commander of all Villa territory with General Manlio Ochoa in command of the troops. Villa, according to General Manlio Banda, has agreed to this arrangement and will come to the United States at once but not through Juarez port. General Pidre Avila and his brother Victoriano Avila, who were held by General Ochoa pending the final ratification of the peace agreement, were released this morning following the conference.

The generals agreed to accept the Carranza constitutional money in payment for the troops.

Galveston, Tex., Dec. 22.—Six members of the bandit gang recently captured in Mexico City were publicly executed today, according to a message received by Juan T. Burns, Mexican consul here. Four others condemned to death were given a reprieve at the last moment. Five women arrested with the gang have been given long prison terms, the message says. The bandits had been able to avoid capture for some time by means of forged documents which made the police believe they were army officers.

J. D. Emmons of this city today received a letter from J. E. Paddock, general manager of the Madera company, stating that advices from Chihuahua were to the effect that the detained American employees were staying at the Hotel Palace in the Chihuahua capital and that they were in no danger whatever nor were they being mistreated.

Mr. Paddock's letter was dated at El Paso December 28. It gave notice that the company would send an agent to Chihuahua at the earliest opportunity to do whatever could be done for the detained men.

The letter says there is every reason to believe J. D. Emmons, a son of the local man, who was at Madera when the Villa raiders carried off the Madera employees ten days ago, was among the party at Chihuahua.

Later advice from Mr. Paddock are to the effect that the Americans will reach El Paso on the first train over the line from Chihuahua.
